The Board of Directors (the “*Board*”) of Canopy Growth Corporation (the “*Company*”) has adopted these Corporate Governance Guidelines (the “*Guidelines*”) to assist the Board in its exercise of its responsibilities and to assist the Board in complying with the Nasdaq Stock Market LLC (the “*Nasdaq*”) Listing Rules and other legal requirements. These Guidelines reflect the Board’s judgment as it relates to sound corporate governance practices by which the Board oversees the Company’s business affairs. These Guidelines are not intended to change or interpret any federal or state law or regulation, the certificate of incorporation of the Company (as it may be amended or restated from time to time, the “*Charter*”) or the bylaws of the Company (as they may be amended from time to time, the “*Bylaws*”). These Guidelines are subject to change from time to time by the Board in its sole discretion.

1. BOARD COMPOSITION AND DIRECTOR QUALIFICATIONS

1.1. BOARD MEMBERSHIP CRITERIA

Subject to the terms of any shareholders’ agreement that sets forth procedures governing the nomination of directors to the Board or if the Company is otherwise required to provide third parties with the ability to nominate directors, the Corporate Governance, Compensation and Nominating Committee (the “*Governance Committee*”) is responsible for reviewing the background and qualifications of individuals being considered as director candidates and recommending to the Board director candidates for nomination for annual election or reelection by the shareholders, for any Board vacancies to be filled, or for appointment of additional directors by the Board. The Board will subsequently elect a chairperson of the Board (the “*Chairman*”) from its members. Among the qualifications considered in the selection of candidates, the Governance Committee will look at the following attributes and criteria of candidates: experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication and conflicts of interest. The Governance Committee may, if it deems appropriate, establish procedures to be followed by shareholders in submitting

recommendations for Board candidates and the Governance Committee’s policies for consideration of Board candidates recommended by shareholders. At least twenty-five percent of the directors of the Company shall be “resident Canadians” as defined by the Canada Business Corporations Act.

1.2. POSITION DESCRIPTIONS

The Board will develop clear position descriptions for the Chairman and the Chair of each Committee. The Board, together with the Chief Executive Officer, will develop a clear position description for the Chief Executive Officer (including delineating management responsibilities) and will develop or approve the corporate goals and objectives that the Chief Executive Officer is responsible for meeting.

1.3. INDEPENDENT DIRECTORS

The Company defines an “independent director” in accordance with the standards and requirements promulgated by all applicable regulatory bodies exercising control over the Company, including Rule 5605(a)(2) of the Nasdaq Listing Rules. Subject to the phase-in rules of the Nasdaq and the exemption for “controlled companies” under the Nasdaq Listing Rules, the Board will be composed of a majority of independent directors, including the Chairman. Where it is not appropriate for the Chairman to be independent, an independent director will be appointed to act as “lead director”. Whether directors are independent will be reviewed annually in connection with the preparation of the Company’s proxy statement. The Governance Committee, as well as the Board, will review commercial and other relationships between directors and the Company to make a determination regarding the independence of each of the directors, but the final independence determination will be made by the Board after due deliberation.

1.4. DIRECTORS WHO CEASE TO BE INDEPENDENT

An independent director who ceases to qualify as such after election to the Board will be required to tender a resignation as a director promptly to the Governance Committee. The Governance Committee will consider the tendered resignation and recommend to the Board whether to accept or reject the resignation, taking into consideration the effect of such change on the interests of the Company.

1.5. DIRECTORS WHO CHANGE THEIR JOB RESPONSIBILITY

When a director’s principal occupation or business association changes substantially from that which he or she held when originally invited to join the Board (including retirement), he or she will promptly notify the Governance Committee and the Governance Committee will evaluate whether the change in circumstances is consistent with the Board’s original intent for selecting that director and the current guidelines for membership on the Board. Following its evaluation, the Governance Committee will recommend to the entire Board whether to nominate the director for reelection at the next annual meeting of shareholders. While the Board does not believe that a director presenting such changes should necessarily leave the Board, there should be an opportunity for the Board, through the Governance Committee, to review the appropriateness of the director’s reelection to the Board.

1.6. RESIGNATION, RETIREMENT OR REFUSAL TO STAND FOR REELECTION

In the event that a director intends to resign or retire from, or refuses to stand for reelection to, the Board, he or she must tender written notice of such intent directly to the Chairman and the Chief Executive Officer. The Board, taking into account any recommendation of the Governance Committee, shall determine the action, if any, to be taken with respect to such notice.

1.7. BOARD TENURE

Except as may be provided in the Charter, the Bylaws, and the Mandatory Director Retirement Age Policy, there are no established term limits for service on the Board. Directors shall be elected for the terms provided in the Charter, subject to the Mandatory Retirement Age of 75 that is specified in the Mandatory Director Retirement Age Policy (unless exempted thereunder). The Board may nominate a director for reelection based on the recommendation of the Governance Committee.

1.8. NOTIFICATION OF ADDITIONAL BOARD SERVICE

Directors will advise the Chairman and the chairperson of the Governance Committee in advance of accepting an invitation to serve on a board of another company with publicly traded equity. Service on boards and committees of other organizations should be consistent with the Code (as defined below). If a member of the Company's Audit Committee serves on more than two other public company audit committees, the Board will determine whether such simultaneous service impairs the director's ability to serve effectively on the Company's Audit Committee, and the Company must disclose such determination, either on or through the Company's website or in its annual proxy statement filed with the Securities and Exchange Commission. The Board considers it appropriate to limit the number of public company boards on which directors may serve to no greater than 4 public companies.

2. BOARD OF DIRECTORS RESPONSIBILITIES

The business affairs of the Company are managed under the direction of the Board. The Board believes that the primary responsibilities of directors are to exercise their business judgment in good faith and to act in what they reasonably believe is in the best interests of the Company and its shareholders. Directors must fulfill their responsibilities consistent with their fiduciary duties to shareholders, in compliance with all applicable rules and regulations and subject to the provisions of the Charter and Bylaws.

In forming his or her judgment, each director is entitled to rely in good faith on the accuracy of the records of the Company and the information, opinions, reports or statements presented by the Company's officers, employees, Board committees, outside advisers and auditors. In discharging their obligations, directors are entitled to rely on the honesty and integrity of the Company's senior executives and its outside advisers and auditors.

3. BOARD MEETINGS AND PROCEDURES

3.1. MEETING FREQUENCY

The Board will hold at least one regularly scheduled meeting each quarter.

3.2. CHAIRMAN OF THE BOARD

The Chairman will preside over all meetings of the directors, be responsible for the agenda at all meetings of the Board and will preside over meetings of shareholders. The Chairman will convey recommendations of the independent directors to the Board and will be the liaison between the Board and the management of the Company. The Chairman will preview information sent to the Board as necessary and approve meeting schedules to assure that there is sufficient time for discussion of all agenda items.

3.3. AGENDA ITEMS

Each director is free to suggest agenda items to the Chairman and to raise at any meeting topics not on the agenda.

3.4. ATTENDANCE

All directors are expected to make reasonable best efforts to attend all meetings of the Board, all meetings of the committees of which they are members and the annual meeting of shareholders, and to maintain a satisfactory Board and committee meeting attendance record of no less than 75% in the aggregate, subject to recusal by the Board or relevant committee. Directors are encouraged to attend Board meetings and meetings of committees of which they are members in person but may also attend such meetings by telephone or video conference.

3.5. MEETING MATERIALS AND PREPARATION

Information and materials important to the Board's understanding of topics expected to be discussed at meetings should, to the extent practical, be distributed sufficiently in advance to permit prior review. In the event of a meeting on short notice, or if materials would contain highly confidential or sensitive information, it is recognized that written materials might not be available in advance.

Each director should be sufficiently familiar with the business of the Company, including its financial statements and capital structure, the risks and competition it faces, and the regulatory, legislative, business, social and political environments in which the Company operates, in order to facilitate active and effective participation in the deliberations of the Board and of each committee on which he or she serves. Management will make appropriate personnel available to answer any questions a director may have about any aspect of the Company's business. Directors should also review the materials provided by management and advisers in advance of the meetings of the Board and its committees and should arrive prepared to discuss the issues presented.

3.6. SEPARATE SESSIONS OF INDEPENDENT DIRECTORS

The independent directors will meet at regularly scheduled sessions at least quarterly without the Company's management present. If an independent director, the Chairman will preside in executive session. If the Chairman is absent or disqualified, the chairperson of the Audit Committee will preside. If the chairperson of the Audit Committee is absent, or not independent, the lead director will preside.

4. DIRECTOR COMMUNICATIONS

4.1. DIRECTOR COMMUNICATIONS WITH MANAGEMENT AND OUTSIDE ADVISERS

It is management's job to formulate, propose and implement strategic choices and the Board's role to approve and evaluate strategic direction and results. However, the Board and management are better able to perform their responsibilities if there is an ongoing dialogue among the Chief Executive Officer, other senior managers and Board members. To facilitate these discussions, directors will have access to the Company's senior management team and are encouraged to make regular contact. Board members are normally expected to inform the Chief Executive Officer prior to contacting any member of the Company's senior management team on any substantive matter. Board members, however, are not expected to inform

the Chief Executive Officer that they are contacting members of the Company's senior management team regarding the normal activities of their Board committees. Board members shall use sound business judgment to ensure that such contact is not distracting.

The Board shall have the right at any time to retain independent outside accounting, financial, legal or other advisers as it deems necessary to fulfill its duties and responsibilities, and the Company shall provide appropriate funding, as determined by the Board or any committee, to compensate such independent outside advisers, as well as to cover the ordinary administrative expenses incurred by the Board and its committees in carrying out their duties.

4.2. BOARD INTERACTION WITH INSTITUTIONAL INVESTORS, ANALYSTS, PRESS AND CUSTOMERS

Generally, management should speak for the Company. Each director should refer all inquiries from institutional investors, analysts, the press, or customers to the Chief Executive Officer or his or her designee.

5. DIRECTOR COMPENSATION

It is the Company's policy to compensate non-management and independent directors competitively relative to comparable companies and to align directors' interests with the long-term interests of the Company's shareholders. The Governance Committee will recommend annually to the full Board for its consideration the form and amounts of compensation and benefits for non-management directors. In its deliberations, the Governance Committee and the Board shall consider whether the levels of director compensation could impair independence and shall critically evaluate any consulting, charitable contribution, or other potential indirect compensation arrangements. In addition, the Governance Committee and the Board shall seek to ensure that the compensation realistically reflects the responsibilities and risks involved in being an effective director. Directors who are current employees of the Company shall receive no additional compensation for Board service.

6. DIRECTOR ORIENTATION AND CONTINUING EDUCATION

The Company will provide each new director with an orientation packet to familiarize him or her with, among other things, the Company's (i) business and strategic plans, (ii) significant financial, accounting and risk management issues, (iii) compliance programs, (iv) Code, (v) Insider Trading Policy, (vi) Guidelines, (vii) principal officers and (viii) independent auditors. Each director is expected to participate in such director orientation.

Each director is expected to be involved in continuing director education on an ongoing basis to enable him or her to better perform his or her duties and to recognize and deal appropriately with issues that arise in connection therewith, as set forth in the Board of Directors Continuing Education Policy. The Company will pay all reasonable expenses related to the continuing director education.

7. CODE OF BUSINESS CONDUCT AND ETHICS

The Board must adopt a written Code of Business Conduct and Ethics (the "*Code*") as part of its efforts to promote a culture of integrity and honesty throughout the Company. The Code will apply to the Board itself and the Company's management and employees. Only the Board may grant any waivers to the Code. If the Board grants a waiver to the Code, the Board will determine if disclosure of the waiver is necessary in

accordance with applicable law. Contents of such disclosure will be in compliance with National Policy 58-201 – *Corporate Governance Guidelines* and National Instrument 58-101 – *Disclosure of Corporate Governance Practices*. On occasion, the Board must review and analyze the conduct of the Chief Executive Officer and senior management to satisfy itself that these individuals are complying with the Code and are creating a culture of integrity throughout the Company.

8. COMMITTEES OF THE BOARD

8.1. NUMBER, STRUCTURE AND APPOINTMENT OF COMMITTEE MEMBERS

The Company's current committee structure includes the following committees: the Audit Committee and the Governance Committee. All members of these committees shall be independent directors, subject to the phase-in rules of the Nasdaq, unless not all of the members of the Governance Committee are independent in accordance with the exemption for "controlled companies" under the rules of the Nasdaq. All committee members shall be appointed by the Board upon recommendation of the Governance Committee. The Board may, from time to time, establish or maintain additional committees as necessary or appropriate.

8.2. COMMITTEE CHARTERS

The charters of each standing committee will be reviewed periodically by the Governance Committee with a view to delegating to committees the authority of the Board concerning specified matters appropriate to such committees.

Each committee shall discharge its responsibilities in accordance with its own charter. Each committee charter shall set forth: the purposes, goals and responsibilities of the committee; qualifications for membership on the committee; and committee structure and operations. Each committee charter shall also specify procedures for committee member appointment and removal, as well as require that the committee annually evaluate its performance and report its assessment to the Governance Committee.

8.3. COMMITTEE MEETINGS

The chairperson of each committee, in consultation with committee members, shall determine the frequency and length of committee meetings unless otherwise provided in the charter for such committee. The chairperson of the committee, in consultation with committee members and appropriate members of management, shall establish the committee's meeting agenda. Each committee member may recommend items for inclusion on the committee's meeting agenda.

Management will make appropriate personnel available to attend committee meetings upon the respective committee's request and, subject to a committee requesting otherwise, the Corporate Secretary, or their designee, shall act as secretary at all committee meetings.

9. LEADERSHIP DEVELOPMENT

9.1. EVALUATION OF THE CHIEF EXECUTIVE OFFICER

In accordance with the terms of its charter, the Governance Committee will conduct an annual review of the Chief Executive Officer's performance and report its conclusions to the Board. The evaluation should

be based on objective criteria including, but not limited to, the performance of the Company's business, its long-term and short-term strategic objectives and management development.

9.2. SUCCESSION PLANNING

The Company understands the importance of succession planning. The Governance Committee shall annually review and report to the Board on succession planning, which shall include emergency Chief Executive Officer succession, Chief Executive Officer succession in the ordinary course and succession for other members of senior management. Taking into consideration such report, the entire Board will work with the committee to evaluate potential successors to the Chief Executive Officer. The Chief Executive Officer should at all times make available his or her recommendations and evaluations of potential successors, along with a review of any development plans recommended for such individuals.

10. ANNUAL PERFORMANCE EVALUATION OF THE BOARD

The Board will conduct an annual self-evaluation to determine whether it and its committees are functioning effectively. The Governance Committee shall be responsible for conducting this evaluation by annually assessing the performance of the Board and its committees and reporting its conclusions to the full Board. In performing its review, the Governance Committee shall solicit and consider the input of all of the directors through an evaluation process in which each director is asked to critically evaluate the performance of the Board and each committee on which he or she serves. At the discretion of the committee, this review may, from time to time, include input from each director on the performance of each other Board member. Candor shall be encouraged by ensuring that evaluations are and remain anonymous. This responsibility is in addition to, and shall be coordinated with, the Governance Committee's responsibility to annually assess whether the appropriate balance of skills and characteristics are represented on the Board.

11. COMMUNICATING WITH THE BOARD

Shareholders are invited to communicate to the Board, its committees, the Chairman or with non-management and independent directors as a group by writing to: Board of Directors, Canopy Growth Corporation, 1 Hershey Drive, Smiths Falls, Ontario, K7A 0A8.

12. GUIDELINES

The Governance Committee reviews these Guidelines periodically and recommends amendments to the Board as necessary. These Guidelines are posted on the Company's website.
